Coders Club

Report on Event “Test Your Skills using HackerRank”

The Coders Club first hands-on session was conducted on 12th June 2025 from 3PM. Dr. Suma Swamy, Dean R & D explained a platform “HackerRank” through which the student members can learn programming skills. She told how to create an account and explained different options available in the HackerRank like preparation by topic, certification, preparation kits, competition and applying for jobs.

She also explained how to start with Python (Basic) and solve challenges. Students having difficulty in understanding the logic and writing code were assisted to complete the first level challenge of 4 questions with 35 points. Students solved the challenge with different logic and were asked to share it with all the members on board as well as in whatsapp group and discuss their views.

All the members successfully completed the challenge and were happy to get a star to their credit.

Dr. Suma Swamy thanked the management (NES), Dr. D Jayadevappa, Principal Dr. HNNCE, Dr. Nandeesh, Vice Principal, event coordinators Dr. Purushotham U and Dr. Vikhyath K B, Mr. Gangadhar, technical support and all the members of the club for their support to make this event a grand success.

She expressed that from next academic year, hands-on sessions would be conducted by inviting different industry personnel to make students industry ready with required skills.

The event ended with a photo session of the Coders Club team.
